ANCIENT SECRET FOR MODERN LIFE

### THE LIFE ENHANCER® STORY

With more than 5,000 years of history and a holistic approach to prolonging optimum health, the Chinese were able to develop an extensive record of discovering and perfecting natural formulas to fortify health and sustain the body's natural balance.

Their most treasured formulas, powerful restorative tonics for overall well-being and extended longevity, were closely guarded secrets available exclusively to the royal family. The only known written copies of these priceless documents were housed in the Young Lee Imperial Hospital and Pharmacy. In 1900, during the Boxer Rebellion, the pharmacy burned to the ground, and herbalists feared their ancient wisdom was forever lost.

Several decades later, an incredible archeological discovery was made. The mausoleum of Emperor Ming Cheng Zu, a ruler during the intellectual renaissance of the Ming Dynasty interested in a wide variety of herbal remedies, was uncovered. Before dying, he had made elaborate burial arrangements, which included a request for treasured personal possessions and a complete copy of the Imperial pharmacopoeia to be placed in his tomb.

From these archives comes Life Enhancer, one of the most valued and highly regarded formulas of the Chinese emperors.

### LIFE ENHANCER® SUPPORTS YOUR BODY'S BALANCE \*

In Traditional Chinese Medicine, this formula supports a normal balance of the kidney and liver. The kidney and liver are part of a five organ network responsible for enhancing fluid metabolism, regulating life functions, perception, clarity of thought, and the emotional aspects of initiative, judgement, calmness, and decisiveness. Let Life Enhancer make a difference in your life.
